Elite Dance Academy
Performing Team Agreement
2011/2012 Season

Each and every team member is representing Elite Dance Academy, and team members should be aware of this at all times. We ask that you respect your teachers, other staff, and fellow teammates and classmates. We also ask that you consider your behavior when in public for performing events. Any behavior unrepresentative of Elite's Mission statement and values will not be tolerated, and may result in termination from the Team. **Initials: _____**

Elite Performance Team members will be committed to their Team for the duration of the Season. To be on an Elite Performing Team is a privilege and honor and voluntary termination during the season is very disruptive to the Team, as a whole. Team members are asked to arrive on-time, and leave on-time to classes and rehearsals to keep all team members focused and on-task during the very important and brief class and rehearsal commitments. Required weekly classes and weekly rehearsals are mandatory as material missed may not be re-taught which means participation in a particular routine or part of a particular routine may not be permitted for dancers who have been absent and missed choreography. Choreography must be memorized, so dancers are asked to practice at home to ensure participation in all performances and routines. The Performance Team Director maintains full discretion on dancer participation and has the final decision as to maintain the performance quality while representing Elite Dance Academy. **Initials: _____**

Elite Dance Academy will be collecting monthly tuition on the 1st of every month by our automatic payment system. There is a one-time fee that includes Performance Outfit, shoes, and choreography fee. This fee is due on October 1st. If incidental fees arise, they must be paid prior to the associated event. If there are incidental fees, these will be collected through your account on file. You will be notified of any incidental fees prior to being charged. If fees are not received, participation will not be allowed. All tuition and fees are non-refundable. **Initials: _____**

It is the responsibility of the Performance Team Members and families to stay informed about events and information related to their Team and Elite. Elite staff will use email as the primary contact method for team communication. Families will provide a current email address to receive any necessary information relating to performances, details, etc. **Initials: _____**

I have read the above information and agree to abide by the Elite Performing Team regulations of Elite Dance Academy.
